Pastor Robert E. Carlson

Re: Recommendation for Missionary David Muckle & Family

Summer ~ 2019

Dear Pastors & Fellow-Labourers,

Having Pastored this same church in central Canada now for 29 years, I know what it means to receive more calls, letters of recommendation, and referrals (regarding missionaries seeking meetings and support) than our church can possibly handle. With that said, I also know that the heartbeat of our great God is Missions. He (God) sent His only begotten Son (Jesus Christ) to a foreign land (this world) to “**seek and to save that which was lost**” (Lk.19:10). God certainly blesses churches that busy themselves with the Great Commission of getting out the gospel (both locally and abroad).

May I recommend to you for missionary consideration a precious family that our church is sending out? The **David Muckle Family** have been part of our congregation now for over 10 yrs. They have certainly united their hearts and hands to labour with our people.

David and his wife, Nadine, as well as their three children:

- * are faithful members of our church, who reach far beyond the stage of simply attending the services
- * have joyously been involved in a multitude of ministries in our church
- * are proven soulwinners ... busy in our evangelistic outreaches ... and sacrificial givers
- * David has completed and graduated from our 4-year Bible Institute
- * David has been the treasurer of our church since October of 2009
- * Nadine has been involved in our children's program (MasterClub) for many years

Our congregation stands behind the call of God on the Muckle Family to minister in Northern Manitoba with the wonderful gospel message. He will initially Pastor a smaller church in Snow Lake, MB. Believing that God will not only use these choice servants to win the lost, but also to establish sound, Bible-preaching churches to disciple those converts ... we are seeking the prayerful and financial help of others to help the Muckles do what God has called them to do.

I urge you to consider supporting and helping them in this worthy work of God.

Thank you so kindly,

Robert E. Carlson, Pastor

Golden Plains Baptist Church
Portage la Prairie, Manitoba
