NORTHERN MANITOBA

July 29, 2019

Fair weather cometh out of the north: with God is terrible majesty. Job 37:22

Greetings from the North!

Praise the Lord for a wonderful month in His service. We had a prosperous journey to Ontario to participate in Points North Baptist Mission Camp. At the camp, we met up with many entrepreneurs of the faith. We also enjoyed our fellowship with the President of Points North.

Fellow missionaries of Points North and other agencies participated in the event as well. The Presidents of Canamera Ministry, Baptist Missions to Forgotten People, Baptist International Missions Inc. Canada, and Points North were present. This week emphasized missions and being busy about the Lord's work.

There is so much work to be done and so few labourers. How much we, as God's people, need the Lord in every moment was one of the main points that struck a cord in our hearts. We can do nothing without God, but so often we lose sight of how needy we are. For us to serve, we need the Lord to be working and filling us moment by moment.

While here, the Lord provided the blessing of sharing the work a total of 5 times. We left a little of our hearts with those we met along the way.

It was our privilege to meet Jonathan in a Montana's Restaurant. We were able to give him a tract called **Creator or Liar**. He also allowed us to pray for his safety as he was going to Europe for a family reunion. Please pray for Jonathan that he will be safe and that he will read the tract and respond to the Gospel message.

After our week in Ontario, it was time to head back to Manitoba. We had the honour of participating in our home church's annual Camp Meeting. We had a wonderful time of fellowship and renewed friendships of the past.

In this last week, we also had the privilege of witnessing one-on-one with Ronaldo, who professes to be a Christian, but has a concerning testimony. Please also pray for him to have a desire to search deeper and that God would speak to his heart.

PRAYER REQUESTS

Jonathan for salvation
Ronaldo to search for truth
Continued safety, help, and filling from God for me and my family
