Greetings from the North,

What a wonderful and full month for the Lord. I am awed that we put on 2,760 kilometres by car and just over 4,500 kilometres by air. This month just flew by!

At the beginning of September, I had the privilege of going soul winning with another man at my home church. I had been praying that we would be blessed to lead someone to the Lord. The day was uneventful at first, and many people were not home. On one of our last doors for the day, we met a man named Meet. After discussing his need for the Lord, this man became convicted of his sin, bowed his head, and trusted Jesus as his personal Saviour. Praise be to God! What a thrill to be part of the work of the Lord!

Since then, his family has also been presented with the Gospel. They all said that they would come to church. To date they have not. Pray that this seed will not wither and be carried away.

We had an opportunity to serve in our home church's nursing home service and also made a quick trip up to remote Northern Manitoba to encourage the brethren. Martin Rolles, one of the brothers in Snow Lake, has asked for prayer for his mother. She is 91 years old and just had a heart attack. The doctors successfully put in two stints and she is recovering, but her heart valves are damaged. It does not look like surgery is an option. Martin was able to discuss salvation with her and she said that she had trusted Christ many years earlier. She is terribly discouraged and is recovering slowly. Please pray for her and the family.

We were also blessed to see another church take us on for support as we push forward to the field to which the Lord has called us.

I was honoured to attend the Independent Baptist Pastors' Conference of Canada for the first time. The event was held in Quebec this year. It was wonderful to see so many men focused on God and the ministry. I was blessed to see new people and to meet with former acquaintances. I was tremendously encouraged to see the work of the Lord growing in Quebec, as well. I prayed about serving in Quebec in my younger years, but that door was not opened to me. I am overjoyed that there are men and young men moving forward for the Lord in that province.

**PRAYER REQUESTS**
