November 4, 2019

Greetings from the North,

We have now been on full-time deputation for a 1/4 of a year and have put on over 4,000 more kilometres in ministry for the Lord. We did not have meetings over the Thanksgiving weekend. What a blessing to know that God is in control of all situations!

A Colorado low hit the southern part of Manitoba and took out over 3,000 hydro poles. Almost the entire south half of the province lost power. Some homes were without electricity for over 2 weeks. We were blessed to have hydro return within 28 hours. Praise the Lord; we did have a wonderful time on Canadian Thanksgiving. We were reminded of how good God has been to our country.

A sobering reflection came to me. My children rejoiced to be without power and thought that it would be fun. As the house became colder, reality slowly sank in. This is like the Christian who thinks it is thrilling to be entangled with the world. The enticement of the world pulls and seems like fun for a time. The Christian becomes cold inside. His state becomes worse when he does not receive power from God. How we need God's power all the time! I need Him on my life, family, and ministry.

It was a blessing to visit many *in the family* further south this month and to see God's hand working in various areas and places. We should never become self-centered and think that our God is geographically bound. We trust we have been a help to those we have visited and have urged them to continue with our Lord.

We viewed a few options for a different vehicle to help in this pre-field ministry. One was suitable. We must wait on God. Please continue to pray over this need.

If you recall in our last letter, an East Indian, Mr. Meet, trusted Christ. It was our prayer that he would come to church and grow. It seems, though, that he has disappeared. Please continue to pray for this man.

**PRAYER REQUESTS**

- ❖ Continued health and safety for the family, fruitful meetings, and the power of God in our lives
- ❖ Wisdom with the consideration of a vehicle change
- ❖ Jean Rolles went home to be with the Lord. Please pray for the family.

**Salvation:**

Richard	Keira
Gary	Cole
Edwin	Elijah

**DEPUTATION FUN FACT**

Our family is becoming more creative about ways to distribute tracts on our journeys. The pamphlets have been left in bathrooms, on tables, in motel Bibles, and handed to servers. Sometimes the children make a mad dash to be the first to deliver one!

Serving Together,

The Muckle Family
