February 5, 2020

Greetings from the North,

January has gone by like a blizzard. The family was plagued with illness at the beginning of the month. This was an unwanted and difficult interruption, but the Lord gave strength. We were still able to visit several more churches and to see some "old" friends.

During this time, God blessed us with an appropriate truck for deputation. There was some unexpected maintenance. The Lord provided for these repairs through His people before we even realized that there were needs.

With all of the many prayer requests we have had over the last few months, we have seen the Lord meet one after another. It was amazing at the speed and the method in which He answered our prayers. As in Daniel's day, the Lord had sent the answer while we were still calling. We serve such a caring and gracious Lord.

We have seen God add to our support level again. Praise the Lord! Thank you to all those who are praying for us. We could not continue without your prayer support!

We also ask that you pray for the gracious people at our home church who have stepped up to the plate to fill the vacant ministries that we have now left. Looking forward to this New Year, we are excited about presenting the ministry of Northern Manitoba to the many churches with which the Lord has helped schedule meetings!

As it is the beginning of February, we have now taken our truck and trailer for the first journey. We ran into a snag with high winds and driving through a blizzard. There seems to be electrical problems and some Christian brothers are helping us on this.
