Greetings from the North!

What a wonderful God we serve! This past month was full of opportunities for the Lord. I was especially blessed to witness to Mr. Curtis. He admitted that he was a sinner but thought that God would be okay with him as he is a nice guy. Please pray for Curtis that the Lord would get his attention; he obviously knows the truth. We are gaining more contacts within the town and have also been able to witness one-on-one with these individuals.

Paul and I raised the church building in the southwest corner. This is a temporary correction as the wood supports and main beam are rotten. Levelling that area of the building and providing some support will prevent further damage to the main outer wall in this area. We want to work more on this when the ground freezes in a few months.

The family was so encouraged that the purchase of our house in Snow Lake went smoothly. It takes longer to accomplish tasks due to the distance of travel for business and lawyer amenities. Our children were thrilled to have their own beds again and to have a place they can call their own. We were blessed to have so much help in collecting our belongings from Portage la Prairie and moving them here. Opening boxes was like unwrapping Christmas presents! God has been blessing and we are thrilled and thankful to be in His work.

Visitors continue to attend our services. They have indicated that they want to become more involved in the church. Praise the Lord!

Door hanger brochures have been ordered and we are now waiting for the shipment to arrive. We anticipate the day when they can be delivered door-to-door throughout the town.

We continue to be able to serve here because of our gracious Lord and the kindness of His people. Thank you for your fervent prayers and faithful support.

Prayer Requests

Our testimony in the town
The right job as deputation is suspended
New visitors
Wisdom in a youth outreach
Mr. Curtis for salvation

Serving together,

David, Nadine, Abigail, Paul, and Noah Muckle
