April 1, 2022

Greetings from the North,

Thank you so much for your continuing support. Your prayers, notes, and words of encouragement are always a great blessing to receive!

Our church folks were excited to gather for a small fellowship recently. The gentlemen prepared all of the details of the evening for the women and the children. The ladies were pleasantly surprised at the thoughtful decorations and tasty food that was prepared by their spouses. We had hoped to host a view visitors, but it was the faithful members who joyfully fellowshiped together. There were plenty of leftovers, so we quickly organized another fellowship the following Sunday. A couple of friends attended the Sunday morning service, and they happily joined us for the impromptu luncheon.

The children have been anxiously waiting and watching for the Northern Lights to make an appearance this winter. We were thrilled to run to the lake to get a splendid view and to take pictures of the magnificent Aurora Borealis. *The heavens declare the glory of God; and the firmament sheweth his handywork.*

Bible reading is emphasized greatly in our church services. We were pleased that five folks read the entire Bible and two children read the New Testament, Psalms, and Proverbs during 2021.

We have been regularly praying for our neighbour. David has counselled and prayed with him. We have also given him a Bible; he has informed us that he is reading it. A few of us have invited him to church, but he has not attended yet. Another church member works with his family. Please continue to pray for this family's situation, especially for their salvation.

The Lord has presented our church members and our family with opportunities to speak to the residents around us. Pray for these seeds to bring forth fruit! Please pray for D. He has been given the Gospel, but has moved to Alberta for cancer treatment. Please also pray for opportunities to witness to R.'s family. He tragically passed away recently and his family is hurting.

Our home church is hosting their annual Teen Lightning Conference during Manitoba's Spring Break. Please pray that many hearts will turn to the Lord through these meetings. Snow Lake is sending three teenagers this year, and everyone is quite eager to attend.

Keep on the firing line!

Serving Together,

David, Nadine, Abigail, Paul, and Noah Muckle
