

April 7, 2023

Greetings from the North,

Spring is upon us! We were still feeling frozen at -33° Celsius (-27° F) a few days ago, but it is a blessing to feel the warm sun again.

The New Year's Baby finally arrived on February 25<sup>th</sup>. Snow Lake Baptist Church was able to give the baby's family a large gift basket, which also included a Bible and tract. Please pray for this young family as they raise their new daughter. We have been praying that they will trust Christ as Saviour.

The children enjoyed another youth event at our local school gym. We hosted it on a Saturday afternoon this time, and eight little visitors joined our group. David and our church children joined forces in providing a short, funny Bible lesson. We also presented the Gospel and provided invitations to Sunday school.

David travelled down to Southern Manitoba for two more specialist appointments in February. His eye has now healed; thank you so much for your fervent prayers in this matter! David has a phone appointment next week to receive the results of his colonoscopy. We are grateful that the Lord has provided professional help for these medical issues.

The Rolles family has been picking up a shy little girl for Sunday school recently. She is opening up more and more each time she comes. We have explained the Gospel to her many times. Please pray for her salvation.

A gentleman brought his grandson to church last week. We also had other visitors come these past few weeks. This is a wonderful answer to prayer and a tremendous encouragement!

David received a text from a local acquaintance a short time ago that his wife had passed away. When David contacted the gentleman, he had no idea how he accidentally texted us. We do not know if he is saved, but we offered help and prayer.

David was able to witness to an electrician recently. Nothing seemed to go right for us that afternoon, and we were becoming more than a little frustrated. Our minds quickly focused on the Lord when He gave us another good opportunity to witness. The gentleman did not get saved, but he has had a seed planted in his heart.

Golden Plains Baptist Church hosted Teen Lightning, an annual teen conference, last week. Four of our young people attended, and it was a blessing to see the Lord work in young hearts. Our church is planning to hear testimonies from our youth on Sunday night.

Serving together,

David, Nadine, Abigail, Paul, and Noah Muckle
